

Serhii Strekozin

Construction engineer

ABOUT ME

Marine Construction Engineer with 6+ years of experience in shipbuilding design and production support. Skilled in hull modeling, foundation design, and coordination of engineering teams. Proven ability to deliver accurate technical solutions and optimize production processes. Seeking a challenging role to apply expertise and contribute to high-quality shipbuilding projects.

EXPERIENCE

ENGINEER

[WESTERN BALTIC ENGINEERING](#) || Klaipeda || 05/2025–07/2026

- Develop 3D hull models at the basic engineering stage for classification approval.
- Produce construction documentation in compliance with shipbuilding standards.
- Refine hull sections and foundations to detailed level, preparing production-ready models and drawings.

HULL STRUCTURAL ENGINEER

[Marine Design Engineering Mykolayiv](#) || Mykolaiv || 06/2017–12/2022

- Modeled hull sections and foundations, improving production accuracy and reducing rework.
- Coordinated engineering tasks within multidisciplinary teams, ensuring timely project delivery.
- Prepared production documentation aligned with shipyard requirements, supporting efficient manufacturing processes.

PRODUCTION PREPARATION TECHNICIAN

[NIBULON Shipbuilding and Shiprepair Yard](#) || Mykolaiv || 12/2015–04/2016

- Monitored material usage and production data, ensuring compliance with engineering and accounting standards.

PROGRAMS

- Cadmatic Hull
- Rhinoceros
- Orca 3D
- AutoCAD
- Notilus Steeler
- MS Office

LANGUAGES

English – Intermediate (B2)
Russian – native
Ukrainian – native

SKILLS

- structural construction analysis
- computer-aided design
- 3D modeling
- ship design calculations
- maritime regulations
- planning and scheduling
- quality control
- problem-solving
- failure analysis
- creativity
- adaptability
- teamwork and collaboration
- continuous learning

EDUCATION

- 2014–2016–**Specialist's degree**

|| Admiral Makarov National University of Shipbuilding || Qualification: "Specialist of shipbuilding and ocean engineering"

- 2011–2014–**Bachelor's degree**

|| Admiral Makarov National University of Shipbuilding || Qualification: "Bachelor of shipbuilding and ocean technique"

INFORMATION

- Gender: Male
- Date of birth: 16/11/1990
- Nationality: Ukrainian
- Marital status: Married
- Residential address: Klaipeda, Lithuania
- Residence permit: Valid work permit

LICENSES

- Driving license
- Yacht helmsman license
